1 Estimate

1 Abstract.

G.O. 515 dt 11.11.1890.

G.O. 520 dt 7.2.1891.

I have the honor to forward for transmission to Govt. for approval & return to me for sanction an Estimate amounting to Rs. 2650²⁷²⁵ for constructing a Sub Registrar's office at Athur in Salem District on the revised type design (Tiled roof) circulated with G.O. No 2230 dt. of 21st July 1888, in lieu of the estimate of G.O. 520 dt. 7.2.1891. sanctioned in G.O. No 418 dt. of 6th February 1888, for additions to the Taluk office at Athur for the purpose.

2. Funds for the work was given in G.O. No 1877 dt. of 10th July 1890 and when the tenders for the work were received it appeared to me that it would be advisable to construct a separate office for the Sub Registrar in the compound of the Taluk office, as the cost of the proposed additions amounts to nearly as much as a new building.

3. This arrangement will keep both the

departments distinct and prevent the noise which is always present in a taluk catcherry from disturbing the duties of a Registrar and his clerks who are engaged in transcribing important documents.

4. The Collector of Salem has approved of my suggestion.

5. As the grant for the work has since been surrendered I think that Rs 1000 may be spent in the current year if Government allot funds at an early date.

I have the honor to be

Sir

Your most obed^t servant

Submitted for the orders of Government with the recommendation that sanction may be accorded for the construction of an entirely new office building for the Sub-registrar of Atur in lieu of the extension of the Taluk Catcherry sanctioned in G.O. dated 13th January 1888 No 22 R. It is preferable in every way to have a new building and it will

not cost much more than the proposed extension of the Taluk Catcherry.

 Rs 2365, is submitted for sanction.

The building is to be
 constructed in accordance
 with the design circulated
 with G. O. No 2230 M d/ 21st
 July 1888 for a tiled roof.

It is explained that
 the object of having a
 separate building for
 the Sub Registrar

which is employed in
copying important documents
from the wire & bundle
which generally permits
in a bullock office, in this
view the collection of
the Dist agrees -

The rates are fair.

The plinth area of
the building is 1030 Sq ft
and the cost per Sq ft
will be Rs. 2.10-4 -

Contingencies & Petty
Expenditure have been
provided for at 5% & 2 1/2%
respectively -

The plan & Est have
been considered
by the Inspector General
of Registrations & approved
in the Judicial Dept.
