ORDER—dated 2nd February 1891, No. 240 L., Local and Municipal.

The list received from the Public Works Department with the memorandum recorded in the Government Order read above is approved, subject to the following remarks:—

(*a*) *South Arcot.*—The grants for repairing the roads on the Vadavar bank and on the right bank of the Khan Sahib's canal should be reduced from Rs. 1,000 and Rs. 450 to Rs. 500 and Rs. 300, respectively, being the amounts provided by the Vriddháchalam Taluk Board in their budget for 1891-92.

(*b*) *Tanjore.*—In the circumstances stated by the President of the District Board, the grant required for raising road No. 63 between the 7th and 8th miles should be omitted, and the additional work for which the Tanjore Taluk Board has allotted Rs. 75 should be included in this list. The Public Works Department is requested to state the circumstances under which a charge for supervision has been proposed in the case of some of the repair works in this district contrary to G.O., dated 20th October 1890, No. 2770 W.

(*c*) *Godávari.*—The grant of Rs. 5,600 applied for by the Public Works Department for the two works noted in the margin will be provided in the District Board's budget for 1891-92 now before Government. The allotment required for the first work in the current year is only Rs. 3,480, as the amount of the estimate sanctioned in G.O., dated 13th December 1890, No. 3308 was Rs. 8,480. An application in the prescribed form should be submitted for this allotment without delay.
