The Executive Engineer

No. II. Peryar Division

Honored Sir,

I most respectfully beg to bring the few following lines to your honor's favorable Considerations and sincerely hope that they will meet with your approval.

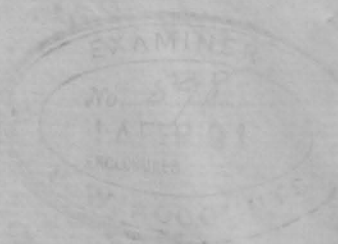

I was entertained as store-keeper on Rs 20/- in May 1889 and ever since then I have been discharging that duty without any fault or whatever, I here beg to submit that the heavy and responsible work of such position has devolved on me. Whereas two Store-keepers (Vide Blue Book Page 67) are required to do the same. Besides this I have been doing duty in the Accounts Branch whenever my services are required there. So this I simply beg to say that the accountant will bear testimony. Lastly I beg to bring to your notice that as store-keeper I stand less chances of promotion much less especially in Project Division than the chances which Clerks of this Division come across.

Under such state of things I humbly request your honor will be graciously pleased to at least increase my salary to Rs 30/-

as

Encl 1 of 25 Feb 91

Letter from the Executive Engineer, No. II, Perias Division, to the Superintending Engineer, III Circle, No. 5 dated 2nd Jan/91.

With reference to your endorsement No. 110 P.R. on the application of Store Keeper herewith returned I have the honor to inform you that the Salary of Storekeepers attached to 1st Class Divisions is Rs 25/- and the Applicant draws now only Rs 20/- and he applies for the difference of Rs 5/- which I think is reasonable and I recommend the increase as this office is classed as a 1st class Division

No. 147 P.R. d/ 6 Feb 91
29/1-

Copy Submitted to the Chief Engineer D. P. W for orders. From what the Executive Engineer states it appears reasonable that the Storekeepers should be allowed Rs 25 per month - the pay of one in a first class Division office.

2. From the accompanying Copy of a former Application of the Storekeepers and

Encl 1.

and the endorsement thereon, it is
observed that Major Campbell R.E.,
late Superintending Engineer, Periyar
project, promised to recommend
the increase of pay, if the Executive
Engineer considered it necessary.
