Sir,

Adverting to your Memo
N^o 1011C dated 23rd ultimo, I have
the honor to report that the
materials of the Lock Hospital
building at Ranipet are likely
to realize more than the cost
of demolition.

I have the honor to be
Sir,

Yours most Obedt Serv^t

North Arcot District Office
 No. 259 S.E. of 7th Augt 1890

From
 Major C.C. Rawson R.E.
 Executive Engineer
 North Arcot District

To
 The Superintending Engineer
 5th Circle

Sir,
 I have the honor to bring
 the following to your notice.

(1) The lock hospital at Ramiset
 with its out buildings Nos. b. 6a. 6b.
 and 6c in the Register of Public
 buildings in the North Arcot
 Division was in G.O. No. 2089 W of
 23 August 1881 ordered to be de-
 molished.

(2) This appears never to have
 been done and in G.O. No. 2408 W of
 14th October 1885 the building was
 handed over to the American
 Mission for use as a boarding
 school.

(3) By G.O. No. 1144 W of 18th April 1890
 the Native Cavalry barracks were
 handed

handed over to the same mission.

(14) They have now removed their school from the Lock Hospital to the Native Cavalry barracks owing to the unhealthy site of the former building and have handed back the old Lock Hospital to the P. W. Department.

(15) The lock hospital is quite useless and I have to keep a watchman in charge. I recommend that the building should be demolished and the materials sold.

(16) The book value of the building is Rs 5000. I think it better not to report what I consider its value to be as I found that on a former occasion only the value estimated by me was offered by parties tendering for the purchase of the buildings ordered to be demolished.

I have &c. &c.

S. C. C. Rawson Major R.E.

Copy. Submitted to the Chief Engineer P. W. Department with a request that he will be good enough to obtain orders of Government for demolishing the building and selling the materials by public auction.

2. The building in question is not required by any Department nor is it worth repairing.

231-

What is the use of spending
money in demolishing the building?
~~Expenses~~ Unless the materials will
sell for more than the cost of
getting them out, it would be
better to simply let it go to ruin.
