Sir,

Enclosures 3

With reference to your endorsement No  
407 without date on Chief Engineer's No 146C dated 14<sup>th</sup>  
January 1891 (herewith returned with enclosure) I  
have the honor to report that the building is situated  
midway between the Benhope and Burliar toll gates  
on the Pottu-Shallar road; and is a rest house in charge  
of the Public Works Department. It is used by officers  
of all Departments, and, not being near any village,  
the services of a watchman are absolutely necessary  
to look after it, and take care of the furniture.
