GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

Read—the following paper :—

Proceedings of the Board of Revenue (Separate Revenue), dated 19th February 1891, Mis. No. 509.

C. S. CROLE, Esq., C.S.

Read—endorsement of Government, Revenue Department, dated 20th October 1890, No. 6399.

Read—also reference on the above, dated 23rd October 1890, referring to the Deputy Commissioner, Southern Division, for very early report, endorsement from Government on letter from the Superintending Engineer, VI Circle, regarding a proposal to convert the large room of the plunge-bath at the Artillery barracks at Trichinopoly into an office for the use of the Deputy Commissioner, Southern Division.

Read—also the following letter from W. O. HORNE, Esq., C.S., Acting Deputy Commissioner of Salt and Abkari Revenue, Southern Division, to the Secretary to the Commissioner of Salt, Abkari and Separate Revenue, dated Trichinopoly, 10th December 1890, No. 3699 :—

With reference to the Board's reference on its Government Register No. 922 of 1890, I have the honor to report that I have inspected the plunge-bath room at the Artillery barracks which the supervisor, South Trichinopoly, proposed may be converted into a suitable office. Accommodation has to be provided for the Deputy Commissioner, two inspectors, North and South Trichinopoly Circles, the three offices of these officers with their records and also for the tents of these officers. The plunge-bath room can at best be divided into three rooms which I consider is hardly sufficient even for one of these offices—the Deputy Commissioner's. I am therefore of opinion that it is utterly unsuitable and insufficient notwithstanding the improvements and alterations which the Public Works Department proposes to make at a cost of Rs. 3,000.

2. On the 29th ultimo the Superintending Engineer, VI Circle, communicated to me an order of Government passed in the Military Department with a list of buildings in the European Infantry lines available for transfer to the Civil department and inquired whether any of those buildings are required for the use of the Salt department. I had these buildings shown me by the supervisor, Public Works Department, Mr. E. Dady, and I consider that one wing of the bomb-proof Infantry barracks may be converted into suitable office rooms if fitted with partition walls between. In its present condition it is unfit for habitation owing to want of light and ventilation.

There is, however, ample accommodation. The Public Works Department officer tells me he can make the improvements and alterations and make it quite suitable for an office at no considerable cost. There are at present only two or three entrances; these and the number of windows will have to be increased so as to allow more light and air into the rooms. I have requested the Superintending Engineer to furnish me with a plan showing the improvements which he may consider necessary to effect and will submit it on receipt for the Board's approval.

Read—also memorandum from Government, Revenue Department, Madras, dated 6th February 1891, No. 20.

Resolution—dated 19th February 1891, Mis. No. 509.

Adverting to the first Government order read above, the Board begs to submit a copy of the report received from the Deputy Commissioner, Southern Division, from which it appears that the plunge-bath room referred to is not sufficient to accommodate the Deputy Commissioner's office, much less those of the Inspectors of North and South Trichinopoly Circles in addition. The three offices are now located in one building, for which Government pays Rs. 40 *per mensem* as rent.

2. The Superintending Engineer's letter, forwarded to the Board for report with the first Government order read above, will be submitted to Government on receipt from the Deputy Commissioner, Southern Division, who has been asked to return it.

(A true Copy and Extract.)

Transferred to the Public Works Department, with reference to its endorsement, dated 11th October 1890, No. 4133 C.

FORT ST. GEORGE,
7th March 1891.

(Signed)

C. A. GALTON,
Secretary to Government.

ORDER—dated 17th March 1891, No. 770 W., Public Works.

Communicated to the Superintending Engineer, VI Circle, with reference to his letter No. 759 T.C., dated 6th October 1890. It will be seen that the proposal to alter the plunge-bath room has not been approved. An estimate for adapting the wing of the bomb-proof barracks, referred to by the Deputy Commissioner, should be prepared.

MARCH.

Office for the Deputy Com-
missioner, Southern Division,
Salt and Abkari Department

The Superintending Engineer, VI Circle,
directed to prepare an estimate for adapting
a wing of the bomb-proof Infantry barracks
at Trichinopoly as an —.

No. 3699.

Office of the Deputy Commissioner of
Salt and Abkari Revenue,

Southern Division,

Trichinopoly

Dated 10th December 1890.

From

W. C. Horne Esq C. S.

Ag. Deputy Commissioner of Salt and Abkari
Revenue,

Southern Division,

To The Secretary to the Commissioner of Salt,
Abkari and Separate Revenue,
Madras.

Sir. With reference to the Board's reference
on its Government Register No. ⁹²² 222 of 1890,
I have the honor to report that I have
inspected the Plunge bath room at the
Artillery Barracks which the Supervisor
South Trichinopoly proposed may be
converted into a suitable office. Ac-
commodation has to be provided for the
Deputy Commissioner, Two Inspectors,
North and South Trichinopoly Circles,
the three offices of these officers with
their records and also for the tents of
these

these offices. The plunge bath room
can at best be divided into three rooms
which I consider is hardly sufficient
even for one of these offices, the Deputy
Commissioner's. I am, therefore, of opinion
that it is utterly unsuitable and in-
sufficient notwithstanding the improve-
ments and alterations which the Public
Works Department proposes to make
at a cost of Rs 3000.

2. On the 29th Ultimo the Superintending
Engineer VI Circle Communicated to me
an order of Government passed in the
Military Department with a list of
buildings in the European Infantry
lines available for transfer to the
Civil Department and Enquired whether
any of those buildings are required
for the use of the Salt Department.
I had those buildings shown me by
the

it does not
appear to have
been Comd to the
P.W. D.

The Superior, Public Works Department
Mr. C. Dady and I consider that one wing
of the Bomb proof Infantry Barracks
may be converted into suitable office
rooms if fitted with partition walls be-
-tween. In its present Condition it is un-
-fit for habitation owing to want of
light and Ventilation. There is however
ample accommodation. The Public
Works Department officer tells me he
can make the improvements and alter-
-ations and make it quite suitable for
an office at no Considerable cost.
There are at present only two or three
Entrances; these and the number of
windows will have to be increased
so as to allow more light and air
into the rooms. I have requested the
Superintending Engineer to furnish me
with a plan showing the improvements
which

which he may consider necessary to effect
and will submit it on receipt for
the Board's approval.

Proceedings of the Board of Revenue

(Separate Revenue).

Dated 19th February 1891.

No. 509, Dis.

C. P. Subby C.S.

1. Received Indorsement of Government, Revenue
Department, dated 20th October 1890, No.
6399.

2. Received also Reference thereon, dated 23rd
October 1890, referring to the Deputy
Commissioner, Southern Division, for very
early report Indorsement from Govern-
ment on letter from the Superintending
Engineer 6th Circle, regarding a propos-
al to convert the large room of
the Plunge bath at the Artillery
barracks at Trichinopoly into an
office for the use of the Deputy Com-
missioner, Southern Division.

Recd

Read also Memorandum from Govern-
ment Revenue Department, Madras,
dated 6 February 1891, N-20.

Resolution

According to the first Government
Order read above the Board begs to
submit a copy of the report received
from the Deputy Commissioner, Southern
Division from which it appears that
the Plunge bath now referred to is
not sufficient to accommodate the
Deputy Commissioner's office, much
less those of the Inspector of North
and South Trichinopoly Circles in
addition. The three offices are now
located in one building for which
Government pays Rs 40 per mensem
as rent.

2. The Superintending Engineer's
letter forwarded to the Board for report
with the first Government Order read
above

above will be submitted to Govern-
ment on receipt from the Deputy
Commissioner, Southern Division
who has been asked to submit it.
