Sir,

As verbally ordered, I
beg to submit the following
information regarding the
occupation of Westmore by
Colonel Hemming, Military
Secretary to His Excellency the
Commander-in-chief. At
about the end of December 1886,
I was temporarily in charge
of the late *Milgiri* Division
as Mr. de Winton the Divisional
officer was away on leave,
Colonel Hemming

Colonel Hemming called at
office and asked for the officer
in charge. I told him I was
for the time being. He then told
me that, as His Excellency the
Commander-in-Chief had taken
the Cedar, he wished to occupy
Westmore for his residence and
office. I informed him it was
not available for renting as it
was already occupied by the
Sub Divisional Officer of M. II
Sub Division, Mr. A. C. Lord.
He said Mr. Lord could be
accommodated elsewhere, but
as I told him I had no authority
to move in the matter, he
asked me who was the proper
person to apply to on the subject.
I told him the Superintending
Engineer was the only one;
and as Colonel Beatty R.E., Super-
intending Engineer happened
to be in City he went and
saw him and I was ordered to
fix the rental by Colonel Beatty.
I did so and made Rs 60/- per mensem.
Mr. Lord

Mr. Lord was removed from
the building and Colonel Hemming
took it over. Mr. Lord and his
office were located in Bellvue
near the Division Office at a
rental of Rs 60 per mensem
which was paid by the amount
received from Colonel Hemming
for Westmore; but Mr. Lord was
always shown as occupying
Westmore and paying Rs 25/-, I
think, rent; this arrangement
remained in force until I took
charge of the Sub Division, and
when M. II Sub Division was
broken up I then showed Colonel
Hemming as occupying Westmore
on my Return of Building rented.
This is all the information I can
give on the subject.

I beg to remain,

Sir,

Your most obedient servant
R. V. Dey, Conductor
Sub Divisional Officer

Mr. Engr. observes
that in calculating the
rent of Westmere Cottage
Ootacamund, the Supg-
Engr. appears to have
overlooked No. 40
2771 W of 21. Oct. 1886,
in which the value of
the building for rent
purposes was fixed
at Rs 5666, the balance
of the purchase money
having been debited
to the same improve-
ment scheme. On
this basis, the rent
of

+ 4% of 12,5666 = R. 226.64
Average cost of repair = 149.00
10% on 12,449 for interest = 1244.90
Total cost of plant = 144.90
Rent per annum = R. 720
Rent per annum = 60
