Note 99<sup>0</sup>/<sub>1</sub>

The Chief Engineer for Irrigation without inquiring whether funds were available in the General Branch under Provincial Civil Works applied to the Financial Dept for a grant of Rs 12,000 which was sanctioned in G.O. No 47 (Financial), dated 14<sup>th</sup> January 1891. The revised estimate of charges for 1890-91 under Provincial Civil Works having already been communicated to the Government of India, the allotment in question cannot be taken as an addition to the current year's Public Works grant under that head. This is therefore proposed to replace the amount at
