Your office note No. 979 C. dated 21st.

February 1891.

The two temporary clerks referred to have been employed in my office continuously from June 1887 with the sanction of Government. The clerk on Rs. 40 per mensem is required for the purpose of doing the duties of cashier which under recent arrangements under which payments on account of establishments of Head Quarter Offices etc. are made by the Examiner, have increased considerably. The other clerk on Rs. 30 per mensem is required for extra work in connection with the accounts of railway surveys of which there are almost always one or two in progress.

2. Sanction to the entertainment of the temporary clerk on Rs. 30 per mensem was originally given for the audit of the accounts of the Kurnool Canal Telegraph lines. This audit by the Examiner has since been dispensed with and the services of the temporary clerk are

still continued for work in connection with Railway Surveys.

3. The two clerks are really required as a permanent arrangement but the establishment has been applied for only as temporary pending final settlement of the general question as to the extent of reductions to be effected in the cost of Examiner's office, please see remarks in the proposal statements forwarded with Examiner's letter No. 24 W. dated 8th. June 1887 and office note No. 1050 dated 10th. February 1888.
