Madras 19th December 1890

To, Major C. H. P. Christie R.E. 1

Examiner P. W. Accounts
Madras.

Most respected Sir,

The undersigned peons of this office wish humbly and respectfully beg to bring the following lines to your honor's kind consideration with an ardent hope that they will meet with your honor's approval.

2. They are all family men getting a very poor pay, quite insufficient to meet the actual necessities of life and as such they respectfully beg your honor will be pleased to raise their pay and to relieve their present difficulties. This act of charity will ever be remembered by them and their successors.

3. They beg to add that the pay of the peons in W's office is from Rs 10 to 12 only two get Rs 6 each and the Dafadar gets Rs 15. In the C.R.'s & D.R.'s office no peons get

get less than Rs 4 month whereas
in this office many get Rs 5 & 6 and a
few more than that.

4. In R's office and E.R's office persons
attending on officers get decent pay
and are supplied with dress at Govt. Cost.
In large officers Dufadars get Rs 15 & 12
& Rs 10 as here. They leave it to your
honour to see what must be the diffi-
-culties of persons getting Rs 5 & 6. to
maintain their families and also
supply themselves with clean dress, as
it would not be proper to put on
dirty dress in the office -

5. If to the fortune of the undersigned
your honour be kind enough to take
this charitable idea into your honour's
generous heart, it need not be said
here that your honour's name would
never be forgotten as long as this
office exists.

6. In conclusion they beg to add
that they cannot dream of any other
officers

84/2
officer of your honour's nature to help
them in an important case like this.

7. For which act of benevolence
they as in duty bound shall ever pray.

We beg to remain
Sir,

Your most obedient servants.

Madras, 16 March 189/.

OFFICE NOTE No. 1596.

To

W.

I beg to forward for favorable consideration of Government a petition from the peons of my office for an increase to their salaries.

2. From the comparative statement (enclosure B. forwarded herewith) it will be seen that excluding the head peons and including, as regards this office the men now called "rollers" who are really peons, the average pay of peons in the several central P.W.D. offices is as follows:-

In C's Office.....Rs. 6.25

In W's Office.....Rs. 7.06

In E.I's Office.....Rs. 7.12

In E.R's Office.....Rs. 7

In C.R's Office.....Rs. 7

Moreover taking into consideration the total number of peons employed in each office, the peons of my office are, I think, decidedly worse off than the peons of the other offices as long as there is only the one head peon's post for sixteen peons.

P.W.C. No: 30101

3. I beg therefore to recommend that the average pay of the peons & rollers of my office (excluding the head peon) may be raised to Rs.7 per mensem, and that of the head peon to Rs.12 per mensem, and I submit herewith for the sanction of Government a proposal statement (enclosure A) providing accordingly.

4. With regard to the so called "rollers" I must point out that they are really peons. Indeed it has for years been found necessary to employ even the better paid of the peons for the particular work for which the rollers were originally entertained, employing the so called rollers on the better paid, but easier, work of messengers. I now propose to recognize this & to raise their pay accordingly.

5. The result of the present proposal is an increase of Rs.14 per mensem to the present total pay of the menial establishment.....

Statement comparing salaries of Clerks in office of Quartermaster General with those of Clerks in the offices of the Adjutant General and Commissary General in the same office.

Department, Chief Engineer for Irrigation, Civil Engineering

[illegible]

Head Town	10	1 Duffaden	15	1 Head of Spring	10	1 Head of Spring
-----------	----	------------	----	------------------	----	------------------

Read the following:—

Office note from the Examiner of Public Works Accounts, No. 1596 dated 16 March 1891.

FOR ORDERS.

It is submitted that no useful comparison can be drawn between the scale and salaries of persons on the Secretariat Establishment and those of Subordinate officers. The conditions are different. The comparison instituted by the Examiner will, however, hold good as regards the other officers named.

It is understood that the duty of the so called "Rattlers" is to help in the arrangement and distribution of the large quantity of stock "Forms" which the Examiner is obliged to keep. The present rate of pay, Rs. 5, seems low.

The 'rattlers' might be raised to Rs. 6. but I don't see any meaning for other change.

No. 841 Wa/21 Mar/91

Sanction is accorded
to the pay of the two
"Rollers" being raised
from Rs 5 to Rs 6. The
Govt does not see
the necessity for the
other increases
recommended.
