SIR,

ENCLOSURES.

With reference to your Memorandum, No. 755.C, dated 10th inst., I have the honor to state that portions of the current year's grants that cannot be utilized have been already surrendered.

2. From the Progress Reports for January/94, just received from Executive Engineers, it is observed that, with one or two exceptions, the existing grants (minus the sums surrendered but not yet withdrawn by Govt.) will be fully utilized, although the total outlay up to that month is below the average. Executive Engineers have however been asked to report at once whether the current year's grant under each fund can be fully utilized, or whether they

me any more surrenders to make; on receipt of their replies, I shall address you again.

3. In this office No. 999 M.O. of the 21st ultimo permission was applied for for collecting materials for "Improvements to Tirumalraich's Palace" (Item No. 25 Part I, class A Works in the Budget) in anticipation of sanction to the estimate, but no orders have been received as yet. From the reduced grant of Rs 5000 for this work Rs 6000 have been surrendered in this office No. 1055 M.O. 3.2.91 and if the permission to collect materials is not given at once, a further sum of Rs 1500 will be available for surrender.

4. In G.O. No. 1877 H dated 10th July 1901, a sum of Rs 1254⁰⁰ sanctioned in G.O. No. 3153 H dated 7.11.89 granted for "cutting a rough track from Kodaiamab to Pillar Rock" under Provincial original Works. This Public Improvement; of this sum

Rs 296 are as the land required has been acquired.

5. In this office No. 1387 T.C. dated 3rd February 1901, Rs 470 were applied for under Imperial Postal Repairs for the Trichinopoly division; this sum should now be reduced to Rs 282 as Rs 188 has since been transferred by me to this division from measure.
