GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following papers:—

From H. S. TAYLOR, Esq., Superintendent of Works, No. I Periyár division, to the Chief Engineer, Public Works Department, dated Periyár, 7th January 1891, No. 388 S.E.

I have the honor to submit, herewith, a special indent for stores required from England and to request that the articles enumerated in the indent may be ordered to be supplied at the earliest date possible, as they are urgently required.

2. The last three items are for use with the drilling plant about to be ordered from Ceylon. With regard to No. 9, it is known that the stretcher bars of the plant have only a short length of screw and are inconvenient and not suitable to our work.

3. One to eight are required to replace worn-out or broken parts in our present machinery.

4. All belong to Schram's tunnelling plant.

5. It is hoped that the articles will be ordered, so that they may be received by the beginning of next season.

From Major D. McN. CAMPBELL, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department (through the Examiner of Public Works Accounts), dated Chepâk, 14th February 1891, No. 70 W.

With reference to your endorsement No. 144 C., dated 12th January 1891, I have the honor to forward an indent on the Director-General of Stores in England for stores required for No. I Periyár division. This indent, as reported by the General Superintendent, Public Works Stores, has been prepared in accordance with a revised indent furnished to him by the Superintendent of Works, No. I Periyár division, to supersede that which accompanied his letter bearing your endorsement above alluded to.

Office-note from the Examiner, Public Works Accounts, dated Madras, 10th February 1891, No. 1047/153.

The accompanying letter from the Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, No. 70 W., dated 14th February 1891, with an indent (No. 16 of 10th February 1891) for English stores for transmission to the Secretary of State, is forwarded for necessary action.

2. I certify that funds to meet the estimated outlay in England in connection with this indent during the year 1890-91 have been provided by the Local Government to the extent of £215-12-0 in the estimate of the Public Works Department for that year.
