PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read Petition from N. NarayanaMurti, Tahildar, Berhampore, Ganyam Dist.^xaccompanied in
original574A
1Order thereon dated 29th January 1891 N^o. 693

The petitioner who is at present Tahildar of the Berhampore Taluk in the Ganyam District appeals against B.P. 7006 dated 1st November 1890 (Land Rev.) ordering the recovery from petitioner of Rs 1880 and odd which is reported to be the amount lost by Govt through pet^r's carelessness. His Excellency^{the Gov^r} in Council considers that although it may often be right to enforce personal liability in the case of loss of realised Govt money or property, the present case cannot with justice be dealt with in this manner. The lands which formed the subject of the petitioner's report may have been entitled to remission in some of or even in all the seven years that have since elapsed, and it is therefore impossible to calculate the actual loss incurred by Govt on account of the erroneous entry in the accounts.

2

There can, however, be no question as to the gross carelessness displayed by the petitioner in making his report about the lands and the lapse of time is no objection to his being punished now. His Excellency the Governor in Council accordingly resolves to suspend M^r N. Narayana with Pantulu for three months and directs that any sums recovered from him under the

Board's order of November ¹⁸⁹⁰ already quoted be now re-
funded to him.
