GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following papers :—

From Lieut.-Colonel R. R. E. DRAKE-BROCKMAN, R.E., Superintending Engineer, IV Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 6th February 1891, No. 64 W.

I have the honor to bring to your notice that the second draftsman's place in the West Coast division has not been filled up since the permanent incumbent Gopala Reddy's transfer to the Periyar Project in March last, as the pay of the appointment, Rs. 20 to 30, is not sufficiently attractive to induce competent men to accept the post in the West Coast, an out of way and costly place to live in for men from the East Coast.

2. Notifications inviting applicants for the vacancy in the District and Fort St. George Gazettes were of no avail.

3. In these circumstances, I beg to recommend that you will be pleased to obtain the sanction of Government to the entertainment of a second-class draftsman on Rs. 35 to 50 instead of as at present a third-class man on Rs. 20 to 30.

4. I may add that the want of a second draftsman is very much felt in the West Coast Division office.

The entries in column "Present Scale" of the proposal statement do not represent the sanctioned scale of office establishment for the West Coast Division. The financial value of each appointment so far as entered in the proposal statement has not been calculated in accordance with article 164 of the Civil Service Regulations. The necessary corrections have been made by my office. The proposal statement as now corrected shows the existing scale of office establishment and the scale proposed by the Superintending Engineer 4th Circle.
