Sir,

With reference to your No 419 of Nov 4th 13th, 1890, I would beg to invite your attention to what appears to me to be a mistake in the enclosure accompanying it, of which I send you a copy. The column marked date does not appear to give the date of actual or probable despatch from England or of arrival or probable arrival at Calcutta. As I am very anxious upon these points, I shall esteem it a great favor if you would kindly make this matter as clear to me as possible.

I have &c,
