GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following papers :—

From H. IRWIN, Esq., C.I.E., Consulting Architect to Government, to the Chief Engineer, Public Works Department, dated Madras, 7th January 1891, No. 2949.

With reference to G.O., No. 3066 W., dated 17th November 1890, I have the honor to forward a plan and an estimate, amounting to Rs. 13,440, for constructing a new Cricket Pavilion at Chepâk; this is after greatly reducing the accommodation at first proposed.

2. I regret that the estimate cannot be cut down to Rs. 10,000 unless by reducing the size of the building very much more, but possibly a reduction of 10 feet in length of the main room verandah and bar would still leave a sufficiently commodious building. This would bring the cost to about Rs. 12,000; the design would be the same, but the spacing between the verandah pillars would be reduced to 12' 11 $\frac{3}{4}$ " instead of 14' 11 $\frac{3}{4}$ ".

From H. C. KING, Esq., Honorary Secretary, Madras Cricket Club Pavilion Fund, to the Chief Engineer, Public Works Department, dated The Cloisters, 4th February 1891.

With reference to your memorandum No. 177 C., dated 15th ultimo, I have the honor to inform you that at a general meeting of the Madras Cricket Club held yesterday, it was resolved to accept the design and estimate submitted by the Consulting Architect to Government and forwarded to me with the above noted memorandum.

2. I have the honor to return the report and specification forwarded to me with the above noted memorandum, and to inform you that the plans which accompanied the latter will be returned in the course of a day or two.

From H. C. KING, Esq., Honorary Secretary, Madras Cricket Club Pavilion Fund, to the Chief Engineer, Public Works Department, dated The Cloisters, 14th February 1891.

In further reply to your memorandum No. 177, dated 15th ultimo, I have now the honor to return the plans forwarded therewith.

Note by the Chief Engineer, Public Works Department.

The plan is approved.

2. The amount of the estimate exceeds by Rs. 3,300 the sum of Rs. 10,000 mentioned in Mr. King's letter printed with G.O., No. 3066 W., dated 17th November 1890, but it is understood that the Club is prepared to raise the additional amount.

(Signed) J. PENNYCUICK, Colonel, R.E.,
Chief Engineer, P.W.D.

ORDER—dated 6th March 1891, No. 636 W., Public Works.

J The estimate, amounting to Rs. 13,440, for the construction of a new Cricket Pavilion at Chépák, Madras, is sanctioned, and a sum of Rs. 2,000 is appropriated for the work, from the Provincial reserve with the Government, in accordance with para. 2 of G.O., No. 3066 W., dated 17th November 1890.

2. The Consulting Architect to Government will proceed with the work.

Cricket Pavilion at Chepak,
Madras

Estimate of Rs. 13,440 for the construction of a new —, sanctioned, and Rs. 2,000 appropriated for the work.

bw 136
The order on the Cricket Pavilion has been drafted in accordance with his instructions, but as he has not seen C's latest office note on the matter, it would probably be best that all the papers should now be sent to him instead of being kept over as previously ordered. He can then decide whether the draft order sanctioning the Contribution should go up to Government?
