GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.  
Civil Works.

READ—the following paper :—

From C. A. STUART, Esq., Officiating Postmaster-General, Madras, to the Secretary to Government, Public Works Department, dated Vizagapatam, 21st February 1891, No. C. 1310/5932.

I have the honor to state that great difficulty is experienced in getting a suitable building at Kuthevakam for the combined Post and Telegraph office opened there on the 15th December 1890 at the desire of the Government of Madras. The Superintendent of Post Offices, Presidency division, addressed the Executive Engineer, Buckingham Canal, regarding a building which was formerly in use by his department but now vacant, and was informed by that officer that the old police station-house is no longer required by him and that it can be transferred under sanction of Government to the Executive Engineer, Chingleput, for being occupied by this department.

2. As it will be a great advantage to this as well as to the Telegraph Department if the combined office can be accommodated in the building in question, I beg to request that you will be so good as to obtain the necessary sanction for the transfer of the same to this department.

ORDER—dated 6th March 1891, No. 637 W., Public Works.

The transfer to the Postal Department of this building, said to be no longer required by Public Works officers, is sanctioned, subject to local enquiry as laid down in para. 980 of the Public Works Code.
