To

The Divisional Officer

Western Delta Division Canal

The humble petition of James Taylor Lock keeper Mogallon Lock.

Sheweth that 639/6 b.

That I am serving in the Division as a Lock keeper since 12 years last 9 months & have got three certificates for my own in the Neighbourhood of the Lock and each time was transferred

Your honor promised my seniority from Ro 5- to Ro 6 owing to my long service & well doing of my duty- I in the last August am forced to proceed on 5 days leave as usual accordingly on the 13th of September left the Lock & went to my native place Ramkundi, back on the next day after my arrival there, I was attacked by fever and vomiting, fearing that I may have to continue to remain away after the expiration of my leave & thus make me absent from my duty, I sent to the Lock Supt to send me an order to get sick certificate from Doctor, if the same was sent to the Lock Supt with another letter

on the 17th September (and now a Copy of the same is herewith forwarded to your honor) but the Lock Kipt who was envious to me did not send me any paper kept by brother in law in my post to act for me on the 2nd day after the expiration of my leave, I appeared myself a little further, and presented my self to my [illegible] on the next day and if your honor but please to examine the Tappal book, it will be known that brother in law had acted for me during the 15 days I was sick, and after returning to my post obtained leave to take Tappal in my turn, the Lock Kipt entered in the Tappal book my name which ought to be entered but instead of my name he entered the name of other person who was not sent on Tappal. The Narrative of Lock Kipt himself can also show that I did not come to Tappal duty. The Lock Kipt asked me that why my name was not entered in the Tappal book, but that person had not any right to question me on my conduct make my name to be entered in the Tappal book. Some four days when the Ditto Kipt of that section came to the Lock, he was informed by the aforesaid person of the Lock Kipt of the injustice done to me, and the false Contrivance to ruin my character

the Lock Kipt has got 10 acres of land for his own in the neighbourhood of the Lock and for which he was transferred to his hostile name yet, it is enclosed by the Lock Kipt himself and also, there is also there is another piece of 6 acres of land near the Lock which is being cultivated this year by the same Lock Kipt your honor will be assured of the above truth by my written to the Executive, [illegible] 639-7
By the side of the Nuri canal, he has a herd of his cattle which are in number above ten. While the Lock Kipt is in possession of so much area of land, in so near a place as this your honor may better imagine than described in detail all grew grass for his cattle and cutting used to put me to much trouble and difficulties I did not report about the same to avoid the fear of his superiority but I was forced to report this matter to bring it over the Lock Company planted in the compound bearing date for which I thought I would be dismissed whereas the Lock Kipt grew very angry on me in a loud voice that I should be removed this heat to Contrive false complaints against

No 57 of 15-10-88

The following promotions, transfers and dismissals are ordered. 139/98

Syed Akber- Lock Lascar on Rs 6. at the Mogalatur Lock having been reported by the Delta Superintendent, Narsapore Canal No II Section, as being disobedient, and further that he had overstayed his leave, his services are therefore dispensed with from date of receipt of this order.
