Yes. The H.M. has evidently overlooked this - I have inserted into inside the draft order, which might go to the H.M.

What is being done
about the revision
of the standard design.

My has it been found
necessary to alter
the former design.

 note 5

With reference to the
 Am. Bureau's remarks on
 G.O. 40 646 W of 6.3.91,
 attention is invited to
 G.O. 40 2821 W of 10.10.90,
 the papers attached to
 which show the circum-
 stances in which a
 revision of the type
 design for taluk was
 called for -

The preparation
 of the new design was
 delayed pending the
 receipt of particulars
 regarding the requirements
 of the Police & Civil Dept.
 but this information
 has been supplied &
 the new design may there-
 fore be looked for
 very shortly.

6

READ the following

Telegram from the Supt Engr I Circle, d/27.11.91.

the sum of Rs 1709
surrendered by the Supt
Engineer I Circle from the
current year's grant for
constructing a taluk office
at Ellore, in the Godavari
Western division, is resumed
and credited to the Provincial
reserve with the Govt.
expenditure of Rs 1709
d/27.11.91

Note for the Hon.
Please see telegram
from this office of
16th July, and the
pressing papers in the
file. These show that
the surrender of the grant is
due to the action of the Govt.
in stopping Provincial
works. The Provincial
works are therefore
being well - I think it is out
of the question about the
revision of the standard design. I am
disposed to think that such revision
is unnecessary, & it will at any
rate if allowed to drag on take as
long as the work on all
the taluk endowments is being stopped.
