Note. 881-90
The services of Mr. W. B. Delmont,
Executive Engineer 2nd grade were
lent to the Military Works
Branch for the Bangalore water
supply scheme from the 1st March
1890 and the following sub
promotions were
made in his room:-

Mr. A. Joyce - E. S. 3rd to E. S. 2nd
sub promotion.

Mr. C. J. Hooker - A. S. 1st to E. S. 3rd
sub promotion.

Mr. R. W. Young - E. S. 4th temp. to
E. S. 4th sub promotion.

Mr. M. Loom - A. S. 2nd to A. S. 1st
sub promotion.

As many promotions and
reversions have been made
since 1st March 1890 it
will be difficult now to make
the necessary reversions
from 1st March 1890.

It is proposed that the
Govt. of India be asked
to allow the reversions to
take effect from 1st March 1891
the date of receipt of the
Govt. of India letter.

GENERAL.

To
The Secretary to the Government of the Madras,
Public Works Department.

Calcutta the 7 March 1891

Sir,

In reply to your letter No 3075 dated
18 November 1890, I am directed to state that
substantive pro tem promotions are not admissible
on account of the loan of Mr. de Winton's services to
the Military Works Department, as that Officer
neither fills any special appointment created
for the Bangalore Water supply, nor any vacancy
in the Military Works Department but is borne on
the list of that Department as an Officer temporarily
lent.

I have the honour to be,
Your most ^{Sir} obedient Servant

The services of Mr W.B.
 delwinton, Executive Engineer
 2nd Grade, having been lent
 to the Military Works Department
 for employment on the
 Bangalore Water Supply scheme,
 and no portion of his pay
 being borne by Provincial
 funds, substantive pro
tem promotions were made
 in his place with effect
 from 1st March 1890, under
 the ruling in G.O. N^o 3381W
 dated 21st December 1882.

The Examiner, P.W. Accts.
 however expressed a doubt
 as to whether the promotions
 were admissible, and the
 question was referred to the
 Government of India - vide
 letter N^o 3075W, dated 18th Nov^r
 1890.

The Government of India
 now say that the promotions
 are

are inadmissible, and it becomes necessary to make reversions from the second grade downwards to adjust the scale.

It will be a complicated matter to work out the reversions from 1st March 1890, as a number of further promotions have been made in the interim, and it would be a hardship to effect retrenchments from the several officers concerned.

It is therefore proposed to make the reversions from the 1st March 1891, the date of receipt of the letter from the Government of India, and to report this action to the Govt. of India for confirmation.

Draft Minute and Proceedings submitted accordingly.

3. The Government of India will be informed accordingly.

H.E. N^o 890 W. Dated 28th March

To the Secy. to the Govt of India. PWD.

Sir,

In acknowledging the

the receipt of your letter
N° 672 G, dated 7th March 1891,
I am directed to state
that as already reported in
my letter N° 3075 W, dated
18th November 1890, substantive
pro tem promotions on the
Madras list vice N° de
Winton were made by this
Government from the 1st
March 1890, and as many
other events have since
occurred, it will be a
complicated matter to
work out the reversions
necessary in consequence
of the present ruling of the
Government of India. A
number of retrenchments
will also have to be effected
and it is needless to say
that this will be a hardship
on the officers concerned.
This Government therefore
proposes to notify the
necessary reversions with
effect

981/90
effect from the 14th March 1891
the date of the receipt of your
letter under acknowledgment,
and I am to request
the confirmation of the
Govt. of India to this
procedure.

I have &c.
