CURRENT No.

OFFICE NOTE No. 7585.

To E. W.

With reference to your memorandum No. 5145 C, dated 10th December 1890, approving of the construction of the close prison cells in the Central Jail at Salem being given out on contract to the Superintendent of the Jail as the Jail Department have since decided to take the work into their hands, I beg to point out that the arrangement seems irregular. If the Jail Superintendent carries out the work, he should do it as a Civil Officer under the rules in Code para 2004, et seq. being placed in funds as laid down in para 2006.

2. If he carries^{it} out as a contractor he will apparently be paid some Rs 5,000 for convict labour, which the Jail Department are bound to supply free of charge under Code para

para 1288 as modified by Standing
Order No 313 dated 26th March 1888

From,

W. A. Symonds Esq.
Superintendent of Central Jail
Salem.

To

The Inspector General
of Jails, Cochin.

Sir,

In forwarding the enclosed Corres-
pondence (in original please return), I
have the honor to state that I have all
along felt some doubts as to the sound-
ness of the proposal that I should
take up the close prison work on contract,
and that I would now suggest the post-
ponement line die of the fresh
proposal that I should carry out the
work as a Civil Officer. In fact,
pending the decision of the question of
converting the prison from a Central
into a first class district jail, any
extension

extension of accommodation would appear unnecessary

I have &c
