The entries in column "Present Scale" of the proposal statement have been checked and found correct.

2. The practice of charging the pay of a clerk employed on office duties to works is opposed to P.W. Code para 935.

3. If Government are disposed to sanction the employment of the man as a temporary clerk under code para 183, sanction of Government in the Educational Department exempting him from the Examination rules is necessary vide code para 173 A (re-printed with standing order No. II 79).

No. 3570

Chepāk, 19th February 1891.

Your Office Note No 899 C.
of 14th February 1891.

The name of the clerk
is V. Venkataswamy Iyer.
It is recommended that
he may be exempted
from the Examination
rules only so far as his
present appointment
(clerk on Rs 35) is concerned.
The necessity for his em-
ployment is due to the
amalgamation of the late
Quartermaster Division with
Consulting Architect Dept.
and the large accumu-
lation of arrears, additions
and

and copying ~~my~~ works
to be got through in
consequence? He has been
drawing this pay for the
past four years, though
it was charged to Work
Establishment.

2. Considering the state
of records transferred
the late Presidency Division
to the Consulting Architect
Division it was thought
necessary that one
was employed in
late Presidency Division
would better help
disposal of papers
an outsider though
passed candidate
Secretary as my Super
employed in the same
capacities in the late
Presidency Division
writes a fair hand
is recommended
that his employment
may be sanctioned
