PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

MR. G. McWATTERS.

READ—the following letter from J. W. F. DUMERGUE, Esq., Acting Collector of Malabar, to the Secretary to the Commissioners of Land Revenue, dated Calicut, 16th January 1891, Ref. on C No. 5571-P:—

In accordance with Board's Proceedings, No. 72, dated 4th February 1890, a quantity of old records of my office weighing 2,800 lb. was destroyed by the prisoners of the Calicut District jail. I have not been able to sell locally the records so destroyed, although a notice was published in the District Gazette advertising the waste paper for sale. The Superintendent of Stationery, Madras, was addressed as to whether it would be worthwhile to send the paper to Madras in view of the fact that the Railway charge itself would amount to something like Rs. 27. In reply, that officer informs me that arrangements are eventually made by him for the disposal of waste paper of the Presidency offices only and that it is not worthwhile sending the waste paper in question to Madras. Under these circumstances, the only course open is to have the torn-up records burnt, but this I am precluded from doing by the orders conveyed in Board's Proceedings, No. 882, dated 12th March 1884, and No. 2016, dated 8th July 1885, amending paragraph 3 of Standing Order No. 219 under which "when records are destroyed they should be torn into small pieces, be soaked in water and sold as waste paper." I have the honor therefore to request that the Board will be good enough to sanction the destruction by fire of the waste paper above referred to. To avoid future references I beg to suggest that the Board's Proceedings above quoted may be so modified as to allow Collectors the option of having old records burnt in cases where it is impossible to sell them as waste paper or where the cost of transmission itself will be great and cannot be realised by the sale.

RESOLUTION—dated 2nd March 1891, No. 135.

Approved: Standing Order No. 219-3 as contained in paragraph 2 of Board's Proceedings, dated 8th July 1885, No. 2016, will be amended as follows:—

After "waste paper," add "or, where this is inadvisable, burnt."
