C. No: 3417

Note.

C189
1

The Examiner of P. W. Accounts
has included the ^{Sole grant for} new cricket pavilion
at Lehepak in the statement of
unauthorised appropriations for
February 1891 apparently with
the object of avoiding the necessity
of reporting the matter to Govt.
by means of letter as advised
in office note No: 1234 C d/6th
March 1891. Under para 1933 of
the P. W. Code the Examiner of
P. W. Accounts should report cases
of irregular appropriations for
the orders of Govt before including
the same in the return.

Submitted for orders.

W W for Orders.

This statement has
to go on to the Account
General under Code para
1930, under which the
Govt is required to in-

clude in the statement any appropriations made during the month which he ^{may} consider to be opposed to the budget rules."

Code para 1933 does not require the Secy to report such cases to the Govt. before including them in the monthly statement, but it tells him not to delay noticing such cases until the submission of the statement. Apparently therefore the Secy's action in this matter is not opposed to rule, but it is questionable whether he correctly describes the case in his remarks.

No. 636 W of 8 th March 1891 seems to be questionable with reference to Code para 1415 (Government of India Chapter XX para 49) as not being for a public object but rather for the benefit of a body of private persons, and full compensation for disturbance by the Buckingham Canal appears to have been given nine or ten years ago vide G.O. 543 W of 8 th March 1880 granting Rs 2500 for alteration to the pavilion and G.O. 2721 W of 29 th October 1879 granting Rs 2000 towards the construction of a new cricket ground.
