945-1
6TH APRIL 1891, No. 945 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following papers:—

From Major D. McN. CAMPBELL, R.E., Superintending Engineer, V Circle,
to the Chief Engineer, Public Works Department (through the Examiner,
Public Works Accounts), dated Chepāk, 16th March 1891, No. 123 W.

I have the honor to forward an indent on the Director-General of Stores in Eng-
land for cast iron gates, &c., required by the Consulting Architect to Government for
Government House, Madras.

ENCLOSURE.

REPORT to accompany indent for stores required for Government House, Madras.

The cost of these gates and lamp pillars is included in the estimate sanctioned in G.O.,
No. 508 W., dated 21st February 1891. Gates of this description can be procured from England
at a lower cost than can be manufactured in this country as they are stock patterns. If made
here the cost of the pattern would be very great; besides ornamental castings are a speciality and
they can be procured in England of a much better finish than they could be in India.

(Signed) H. IRWIN,
Consulting Architect to Government.

Office-note from the Examiner, Public Works Accounts, dated Madras, 25th
March 1891, No. 1846/153.

The accompanying letter from the Superintending Engineer, V Circle, to the
Chief Engineer, Public Works Department, No. 123 W., dated 16th March 1891,
with an indent (No. 20 of 10th March 1891), for English stores, for transmission to
the Secretary of State, is forwarded for necessary action.

2. I certify that funds to meet the estimated outlay in England in connection
with this indent during the year 1891-92 will be provided by the local Government
to the extent of £127-16-11 in the estimate of the Public Works Department for
that year.

ORDER—dated 6th April 1891, No. 945 W., Public Works.

The indent will be forwarded to the Home Government for compliance.

(Here enter No. 946 W., dated 6th April 1891.)

(True Extract.)
