Copy of a letter from the Director General
of Military Works, to the Secretary to
the Govt. of India, Mil. Dept. No 938.
dated 5th Jan. '91.

Dept. letter No. 2750 M.W., ^{Water Supply} dated
the 28th Oct. 1890, on the subject of a
water supply scheme for Bangalore.
I have the honor to submit, for the order
of the Govt. of India, copies of the margin-
ally noted correspondence, bearing on the

subject, together with a copy of
the Bangalore Evening Mail of the
29th 1890, in explanation of the
censure passed on Mr. de Vinton,

Ex. Engr. Bangalore Water Works. Division,
in the justice of which, it is hoped, Govt.
will concur.

3. Notwithstanding the further delay that
would arise from a change of officers,
it is a matter of doubt whether, under
the circumstances, Mr. de Vinton should
be retained for the execution.

supply project, especially if the matter is now to be made over to the municipality as a result of the financial aspect of the case.

Copy of a letter No. 6804, dated 22nd Nov. 1890 from the Ch. Eng. Madras Coms. Bdly. Works, to the Director. Genl. of Bdly. Works.

I have the honor to report that I have hesitated to submit the general approximate estimate for a water supply to Bangalore from the Rachanahalli Reservoir called for in your No. 3445 B., dated 21st Oct. 90, because Mr. de Vinton is strongly opposed to this scheme and advocates the Maligab (so called ^{Magadi} ~~Magadi~~ Road) scheme.

I enclose two copies of a printed memo. dated 6th Oct. 90 on this question. On receipt of this memo. I went carefully over the two documents & have made remarks in the accompanying letter.

In the 18th Oct., forwarded the

the memo. to Col. Sir Oliver St John Post at my own request. Of the latter comes to decide on ^{recommend} ~~decide~~ a certain scheme with letter No. 5671, d. 18/10/90, of which I enclose a copy, and regarding his views & those of Col. Bowen on the question.

I have been unable, up to this date, to obtain any answer from Sir Oliver St. John, although I addressed him again on the 4th inst. Copy of my letter No. 6136 enclosed, & I now report the matter as far as it goes, for your information.

Copy of a letter No. 83 B., d. 7/1/91, from the D.G. Mns. to the Ch. Eng. Mad. Coms. Bdly. Works.

In acknowledging the receipt of your letter No. 6804, d. 22/11/90 & encls., relating to the water supply scheme for Bangalore, I have the honor to inform you that the submission of the details project for the approved Rachanahalli scheme

Scheme is not to be delayed on any account whatever.

2. I seriously disapprove of Mr. de Buiton's action in reopening this unfortunate controversy, and consider that in communicating to the local papers opinions of his own, as averse to the decisions of the responsible authorities, which after approval by the Govt. of India, he has been employed to give effect to, his conduct has been exceedingly reprehensible. More than this the time he has occupied in formulating these views of his own has probably delayed the preparation of the details of the project for which he is specially employed to be paid.

Copy of a letter from the D.G. M.O. to the Secy. to the Govt. of India, dated 19/2/91, No. 767 B. d. 19/2/91.

The following is forwarded for reference to this office No. 43 B. d. 8/1/91.

958/3

The censure passed on Mr. de Buiton is withdrawn, as far as regards the publication of his memoirs in the local papers.

Copy of a letter No. 766 B. d. 19/2/91 from the D.G. M.O. to the Ch. Secy. Madras Pres. only. Books.

I have the honor to acknowledge the receipt of your No. 1006, d. 6/2/91, relative to Mr. de Buiton's action in regard to the Bangalore Water Supply Scheme. 2. I accept Mr. de Buiton's statement that his memoirs regarding the Bangalore Road scheme was not communicated by him to the local papers, and this may be recorded in modification of my No. 53 B. d. 4/1/91.

3. But to avoid in future the risk of printing of off. papers keeping extra copies of them for their own use, it will be well to restrict the printing of important documents to Govt.

printing office or to establish over which
Govt. has some control.

4. I request that the substance of
this letter may be commd. to Mr.
de Sinker.
