Reference your N. 695 of 6th March 1891

Sir,

I have the honor to report that Mr. Dias was appointed a clerk on Rs 30 per mensem in this Sub Division in 1889. After serving some months at Vayttri under overseer P. Sankaranamias Eyer he was sent to serve under overseer Mr. Gorman at Devada.

2. When Mr. Gorman was relieved by order by Suboverseer H. Gopala Sah Mr. Dias refused to join

join the latter until he personally received an order from me. This order was sent with a reprimand and the clerk (Mr. Dias) paid the Suboverseer a visit at Lundalur where I had fixed the Suboverseer's Head quarters on March 31.

3. After paying this visit Mr. Dias did not come attend office and so on June 16th I sent him one month's notice to quit. I had been on leave the greater part of the interim.

4. On the whole of this matter being reported to the Executive Engineer he elected that since Mr. Dias had been absent from duty all this time he should draw no pay for June. His salary for March, April and May having been disbursed.

5. After receiving notice to quit Mr. Dias did not come near his office

office or attempt to do any work and thus no salary at all was disbursed for the 1 month after notice had been issued.

The Secretary,
 to Government,
 Public Works Dept
 Madras

Honoured Sir,

I beg respectfully beg
 you to be kind enough to submit
 the following for the consideration
 and orders of His Excellency the
 Right Honorable the Governor
 in Council.

2. Agreeably to orders from
 Col. Ross Thompson R.E. Executive
 Engineer, Nilgiri Division No. 2780
 of 20th Nov. 1889, appointing
 me Sub-divisional C.E. & passing
 me to Wynaad Sub D., I reported
 myself to Mr. J. P. Allen, Assistant
 Engineer at Moppaty, who directed
 me to join Overseer, Subramania
 Iyer at Vythoty, under whom I
 served from 26th Nov. 1889 to Feb. 1890,
 his remarks on leaving him run
 as follows: "This is to certify that
 Mr. J. P. Allen served under me as
 my C.E. from 25th Nov. 1889 to 6th Feb. 1890
 and during period been very obedient
 and hardworking, he leaves me as
 he is transferred for duty under Mr.
 Gorman, and I wish him success"
 under Mr. Gorman, I served from

5 Feb. to March 1890, and he writes as follows: "Mr J. E. Dias was working with me as Overseer Clerk from 5 Feb to 21 March 1890, and during that time has done his work to my complete satisfaction. He appears to be well acquainted with the system of P. P. W. Accounts and is a good correspondent. I left him with my successor when transferred." This sufficient Sub Overseer, since reduced under him only for a few days when I received Mr Allen's order N. 2335 d/16 June 1890 and which reached me on the 19 of that month worded as follows: "Mr Dias is informed that his services are dispensed with from this day month" what called forth this mysterious order in a registered cover. I know not, since no reference or reason is assigned for such serious action, which I respectfully submit was requisite according to the standing orders of the Department, injustices & cruel wrong are thus apparent, added to which one Mr Allen, a candidate who passed Middle School Test Exam. 2nd Class, and not qualified to hold the post was appointed from Cannanore, and sent to succeed me. The Audit officer having objected to the appointment his salary was debited and charged against the Grant for Roads, and the appointment

declared vacant, tho he continued to do duty till offered a vacancy in the Postal Department. Knowing this fact, I requested the Executive Engineer West Coast Division, that I may be granted my post of which I have been unjustly deprived, but unfortunately Mr Allen, being then the Joint Executive Engineer, and seriously biased against me, endorses the Appeal. He writes against himself by the words, "The vacancy will be filled up otherwise, these facts which speak for themselves, need no comment, excepting having been known to Mr Allen on a very few occasions. I know him not well enough, and he knows me equally so, therefore appealed to the Supg. Engineer of the Division by letter, but received no reply on the 10th of the 21st ult. When Colonel Drucker Brockman R.E. was returning from Peralva, having an hour or so before left Mr Allen, the Supg. Engineer happened to see me on the road a few yards from my house at Goodatott. I asked him if I was Dias, on being answered in the affirmative that officer said: "Mr Allen told me everything about you, and you can go home. Mr Allen being against me" had apparently been guilty of misrepresentation to the Supg. Engineer, and I am the more

innocent victim of such prejudices.
Again my Pay as follows
was stopped

Pay for April & May - 60.0.0
Received by cheque - 25.13.8
P. (P. - 11.5.2 - 37.2.10)
Balance - 22.13.2
Pay from 1st to 15th working days in June - 15.0.0
Notice Pay of Month as allowed to clerk of my
my successor as in Entolam - 30.0.0
Total £ 67.13.2

3. I was in the Hospital under
Medical treatment from the effects
of malarious fever, and the my
absence was supported by Medical
Certificates as follows. "No. 8. Davala
26th April 1890. This is to certify that
Mr Dias Accountant (P. J. B.) was ad-
mitted as an outpatient on the 14th inst
for Fever and Influenza and was still
under treatment. Unfit for duty."

This is to Certify that Mr Dias was

yet my full salary and not moiety
was stopped, but as long as Abraham
and Clerk Mr P. Cruz drew their full
salary for the period of their absence.
by illness. I cannot understand why
I was mulcted in my full salary.

Further, I have actually done duty
from 1st to 15th June, even the pay
for this period was denied me
why and for what reasons I am
at a loss to understand?

4. From the foregoing facts
supported by Testimonials, Medical
and other Documents, and having
previously served Government in
the P. J. W. for nearly 20 years
years having also passed the Precis
Writing Test Higher Grade. Sup-
plement to the Fort George
Gazette of 20th Feb 1869 No. 1757 page
36, I have no doubt the Govt will
agree with me, when I say, that I
was unreasonably and unfairly
dealt with, and consequently

5. I entreat and pray for orders for
the adjustment of bonafide sa-
lary due to me, and for such
notice as the Government may
be pleased to take of my unfor-
tunate case, and unfair treatment.

For granting the favor and
redress sought I will ever feel
highly and extremely obliged
to His Lordship in Council.

6. Begging Early orders.
