To

W.

With reference to G.O. No. 507 W. dated 20th. February 1891, re-
garding famine tools in the Madura
Division, I beg to point out that the
order appears to have been passed
under the impression that the tools
cease to be famine tools by being
brought on the Executive Engineer's re-
turn.

2. The tools in question were
famine tools in charge of Revenue De-
partment, and large quantities of them
were lying in various depots and not
inspected or counted, and this was
brought to notice by the Deputy Exami-
ner in his inspection report of the
Madura Division dated 14th. January
1890 and then under the Superintending
Engineer's orders the tools were
brought on the Executive Engineer's re-
turn of Tools and Plant - vide letter
from the Superintending Engineer to
the Secretary to Government P. W. De-
partment No. 532 M.D. of 8th. September
