FROM

THE DIRECTOR GENERAL OF TELEGRAPHS,

TO

THE SECRETARY TO THE GOVERNMENT OF Madras

Public Works Department

Calcutta, the 24th of March 1891.

Sir,

With reference to your letter No. 459W, dated the 14th of March 1891, I have the honour to inform you that the failure on the part of the Superintendent of Telegraphs, Madras Division, to ascertain that the telephone system supplied to the Government of Madras was not giving satisfaction has been suitably noticed.

2. Telephones of an improved pattern were on their way from England when the Superintendent in question brought to my notice the complaints of your Government, these telephones have since been issued, and will, I trust, fully satisfy the requirements of His Excellency the Governor.

3. I have ordered by telegraph a special inspection of the system by an officer of much experience in these matters, and on receipt of his report any further action which that report may

show

show to be necessary will be at once arranged
for.

I have the honour to be,
Sir,
Your most obedient servant.

Wm. Moore
Director General of Telegraphs.
