Letter from W. J. J. Esq., President Engineer,  
Historical Eastern Division, to the Superintendent  
Engineer, 2nd Lieut., dated 29th July 1891.  
No. 2066.

I have the honor to state that, for the  
use of Neo-cyclostyle lately bought  
of Treacher & Co. Boston, for my office  
use, I had to purchase 2 quires of  
foolscap cyclostyle paper from the same  
Company, in May last.

2. The Examiner, P.W. Accounts, having  
disallowed the value Rs. 7-6-0  
of the paper purchased, from the Contingent  
Bill for May 1891 on the score  
that sanction of Government was  
not obtained for the purchase under  
Code para 842, I request that you would  
be good enough to obtain sanction for  
the same as required by the Examiner,  
P.W. Accounts.

No. 1040 Rs.

Copy forwarded to the  
Chief Engineer, P.W. Department, with  
a request that sanction of Government  
may be obtained for the charge of  
Rs. 7-6-0 above alluded to.

Supy. Engineer's Office,  
2nd Lieut., Berwada  
8th August 1891.
