I was entitled to do. I beg to point out that had I been informed that my pay if issued in India would be at the rate of Rs 666/- odd. I would not being at home, have elected to draw it in India.

I am ignorant of the purport or purpose of the rule quoted by the Examiner (having in vain tried to get a copy of it from the Indian Office) but in any case I think the rules would be satisfied by granting my request as above. I do not enter into any explanation of the facts of the case as the Examiner is aware of them & can explain if required.

I have the honor to be
