C.R.W. 2270/1

I beg respectfully to request you will be pleased to recommend my being permitted to send down an Assistant to Madras as under rule 13, Appendix B, Part II of the Madras Hill Alloc Rules embodied in paras 77-81 of the Civil T. A. Code & also to the proviso to the footnote of this Rule appended in G.O. 895 W dt 19.III.88 and to draw the travelling allowances which appears admissible to them under Rule 4 of the following circulars brought to notice in appeals sufficient.

For some time now I have been learning from Madras that my widowed mother, who is dependent on me, and on her dotage being 82 years of age, is so far unwell as to stand in urgent need of my wife's personal

assistance, and besides she has got to transact certain urgent affairs, which she said she could be unable to go through without my wife's assistance. If these affairs which should be carried out this month, fail, they might seriously affect my circs in the future - This is the first occasion I have ever made a request of this kind but it is unavoidable owing to my mother's illness & I earnestly beg that the indulgence may be granted as a special case. I can ill afford just now to send my family away from expense but in the future I promise to make other arrangements about these private affairs if I am allowed against the bill -
