OFFICE NOTE.

From W

To C

Please state whether there is any ruling of the Govt of India which would cause objection to his proceeding to the alteration of the T.W. Code para 1750 as noted (1) to remove the provision for prepaid list by the Executive Engineer or Subdivisional Officer and (2) the prohibition of

payment being made by the officer who draws up the muster roll

To W.

There is nothing in the Government of India Code, nor am I aware of any order of the Government of India, requiring the pre-audit of nominal muster rolls by Executive Engineers or Sub Divisional Officers. But I find that the ruling in the Madras code para 1760 has been based on circular No.94 R. of 1880 from the Accountant General P.W.D. Para 124 of the Account Committee's report - which though is of three years' later date - recommends, however, the prepayment of muster rolls and no definite orders of Government of India have been issued on this point.

2. As regards the payment by the

2398/3

Officer who draws up the muster roll, please see para 125 of the Committee's report where it is recommended that payments should be made or conducted "by the officer of the highest standing available".
