Proceedings of the Board of Revenue (Land Revenue), dated 4th August 1891, Mis. No. 4524.

THE HON. MR. H. W. BLISS.

Read—the following papers :—

From G. STOKES, Esq., Collector and District Magistrate of Salem, to the Secretary to the Commissioners of Land Revenue, dated 11th March 1891, Ref. No. 590 R.-Eng.

I have the honour to state that a Village Munsif's chavadi having been found necessary at Marandahalli, Dharmapuri taluk, the Sub-Collector has arranged that the Government building at the place formerly used as the police station-house be utilized for the purpose after ascertaining that the building is not required for any other purpose.

2. The Sub-Collector submitted an estimate, amounting to Rs. 27, for the repair of the building, upon which I requested the Executive Engineer to state whether there was any objection to the building being used as a Village Munsif's chavadi and repaired from the Village Service fund. He has replied that he has none.

3. I submit the estimate, amounting to Rs. 27, for the Board's sanction.

Reference on the above, dated 24th March 1891.

The Collector is requested to report whether, under article 980 of the Public Works Code, sanction of Government has been obtained by the Public Works Department for the use of the building as a village chavadi.

From G. STOKES, Esq., Collector and District Magistrate of Salem, to the Secretary to the Commissioners of Land Revenue, dated 11th July 1891, No. 1402.

In reply to the Board's Reference, dated 24th March 1891, on General Register No. 880 of 1891, I have the honour to state as follows.

2. The Marandahalli police station having been removed to a new building, the Sub-Collector, after ascertaining that the old building was not required by the police, directed that it be used as a Village Munsif's chavadi and reported his action to me in his letter, dated 13th June 1890, L. D. No. 698. I approved of his action and forwarded a copy of his letter for the Executive Engineer's information with reference to para. 980 of the Public Works Code. The Executive Engineer has since stated that the copy of the letter has not been received by him.

3. With his letter, dated 22nd January 1891, Ref. on No. 5549, the Sub-Collector submitted the estimate, amounting to Rs. 27, for repairing the chavadi, now before the Board, upon which I asked the Executive Engineer in my letter, dated 12th February 1891, Ref. on No. 195-Eng., to let me know whether there was any objection

to the building being used as a Village Munsif's chavadi and repaired from the Village Service fund. On his replying that he had no objection, I applied to the Board for sanction for the estimate above referred to (letter, dated 11th March 1891, Ref. on No. 590 R-Eng.).

4. With reference to the Board's reference quoted at the head of this letter, I asked the Executive Engineer to let me know if the sanction of Government had been obtained for making over the building in question to be used as a Village Munsif's chavadi. The Executive Engineer has written to me to say that no action has been taken to get the building transferred for use as a Village Munsif's chavadi as it does not appear to be borne on the list of his department.

Resolution—dated 4th August 1891, Mis. No. 5524.

Submitted to Government with the Board's recommendation that orders may be issued for placing the police station-house at the disposal of the Collector for use as a village chavadi.
