The monthly debit of Rs. 29 to Lime Manufacture at Vadhaseram by credit to "Land and Kilns" sanctioned in G.O.No.37 W. dated 9th January 1890 has not been provided for in the estimate now sent up for sanction - vide code para 1180.

2. The Executive Engineer however adjusts the above amount monthly by direct debit to "Building Materials" (Lime) without passing it through the manufacture account. The irregularity has been pointed out to him.
