No. 1892

From

~~Henry Irwin, Esq., C.I.E.,~~
The Offg Consulting Architect
to the Government of Madras,

To

The Chief Engineer
Public Works Department

Sir,

1 Enclosures. In the salary Bill of this office for July 1891, I claimed officiating allowance at Rs 220 per mensem (being 1/5 of the pay of the Superintending Engineer 3rd class, under Civil Service Regulation Art: 139 from 11th July 1891) for officiating Mr Irwin the Consulting Architect. The claim was disallowed by the Examiner in the absence of a Gazette notification appointing me as officiating Superintending Engineer (vide Dist: List No 73 Dy: 1.8.91 herewith forwarded)

2. I am aware that the appointment of Consulting Architect carries with it no departmental grade but I submit that this being so it should be regarded as a special appointment & the acting allowance 1/5th of the pay of office holding the permanent appointment & for whom I am acting (C. S. R. Article 130. Part II). In making this request

I would invite attention to the responsibility attached to the appointment which is the same as regards power of sanction as that of a Superintending Engineer and having addition attached to it the responsibility of the Executive Engineer in the supervision and execution of work & the disbursement of money &c. The size of the Division & the average expenditure is considerably larger than any other ordinary Executive Division in the Presidency, the total grant for this Division during the current year is Rs 1294454/- Considering the peculiar circumstances of this office, I beg to submit that acting allowance should be allowed as requested above.

I therefore beg that you will move Government to sanction this or such other acting allowance as may be considered suitable taking into consideration the greatly increased responsibility which is attached to this office beyond the ordinary duty of an Assistant Engineer.

I have the honor to be
Sir
Your most obedient Servant
J. W. Ellis Captain R.E
Consulting Architect
to Government.
