The Govt Dept & Municipality declines all power on this, and

Sir - I have the honor to request  
that you will permit me, on  
payment to cut & remove,  
the grass growing within the  
area enclosed round the  
Masilamund Reservoir.  
about 3 acres I believe -  
I should send in a number  
of coolies with a man in charge  
to remove the grass as quickly  
as possible and to take care  
that the area was not  
polluted in any way  
I have the honor to be  
Sir, very respectfully  
E. Morgan.

For orders. got.

If the grass is to be  
cut at all, it will have  
to be cut at once - The  
first heavy frost will  
destroy it.
