To W.

In G.O.No.1982 W. dated 23rd. July 1891, it has been decided by Government that the charge of Rs.25 paid to the Public Prosecutor for conducting the prosecution of the late Head Clerk of the Executive Engineer's office Cuddalore Bridge Works should be adjusted in the Civil Department with reference to Civil Account Code volume II, page 649, foot note, which refers only to pleaders' fees. It is not however clear whether incidental charges in criminal suits such as the one brought to notice by the Superintending Engineer 5th. Circle should be adjusted in the Civil or P.W. Department.

2. Please therefore obtain orders of Government on the point.
