GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads,
Civil Works.

Read—the following papers :—

G.O., dated 20th July 1891, Mis. No. 1750 L., Local and Municipal.

Read—the following papers :—

From the President, District Board, North Arcot, dated 17th June 1891, Reference on General Local Fund No. 1779.

I have the honour to submit, herewith, an estimate, amounting to Rs. 6,886, for forming a road from Koppedu to Rajigunta in the Maderpák division. At the conference held at Rénigunta on the 7th ultimo to provide works for the relief of the famine-stricken population in that part of the district, it was decided that this road and two other roads under the Ranipet Taluk Board be constructed and the works carried out by Mr. C. J. Knight Watson, the Engineer in charge of famine relief, Kálahasti. In pursuance of this decision, the District Board have, at their meeting held on the 22nd ultimo, approved of the above estimate and resolved to meet the amount from their reserve. I have the honour, therefore, to request that you will be good enough to obtain the sanction of Government for the estimate and that the Accountant-General may be instructed to place the amount at the disposal of the Public Works Department. To save delay I have submitted the estimate direct instead of through the Superintending Engineer. The plan of the work will be submitted as soon as it is received from the Engineer.

2. I must, however, add that Koppedu is within Chingleput district, some miles from our boundary, and that the portions of this road in Chingleput cannot be made at the expense of this Board, and I have instructed the Engineer only to work up to our boundary.

From the same officer, dated 5th July 1891, Reference on General Local Fund No. 1819.

With reference to the telegram from Government, dated the 29th ultimo, and in modification of para. 2 of my letter to Government, Reference on General Local Fund No. 1779, dated the 17th ultimo, I have the honour, in continuation of my telegram of the 1st instant, to report that I have since been informed that none of the Koppedu-Rajigunta road lies in Chingleput district. The mistake arose from the fact that Koppedu was supposed to lie in Chingleput district; but I find that it is just inside the border of this district in Kárvetnagar zemindari at the 12th mile stone from Puthur on the Puthur-Tiruvallúr road. The whole of the road from Koppedu to Rajigunta has therefore to be made within the limits of this district according to the estimate submitted to Government. I therefore request that Government will be pleased to issue early orders to the Accountant-General to place the amount of the estimate, viz., Rs. 6,886, at the disposal of the Public Works Department.

2. I must, however, observe that the Board have only made this road for purposes of relief; that it is a road which the Board would never have thought of making on its merits, and one, which, like other famine roads, the Board will not be able to maintain. Except for purposes of relief, the amount of the estimate is the sheerest

waste, considering that the Board is spending freely for improvement of water-supply; at their last meeting a grant of Rs. 3,000 for Maderpák was made in aid of the Ranipet Taluk Board, which is bankrupt. I consider that this road ought to be made from Provincial funds.

From the same officer, dated 20th June 1891, Reference on General Local Fund No. 1779.

Abstract.—Submitting application for allotment of funds from the District Board's reserve for the formation of a road from Koppedu to Rajigunta in Kálahasti zemindari, Maderpák division, as a famine relief work.

Order—dated 20th July 1891, Mis. No. 1750 L., Local and Municipal.

The estimate received with the President's first letter read above will be transferred to the Public Works Department for disposal.

2. The allotment of Rs. 6,886 is sanctioned and the Accountant-General will be requested to place the amount at the disposal of the Public Works Department.

(True Extract.)

(Signed) J. F. PRICE,
Chief Secretary.

Note by the Chief Engineer, Public Works Department.

Under chapter V, para. 36, of the rules under Madras Local Boards Act (V of 1884), this estimate should have been submitted through the Superintending Engineer, IV Circle. The President explains that it is submitted direct in order to avoid delay.

2. As the work is to be carried out by Mr. Watson in charge of relief works, Kálahasti zemindari, the estimate may be sanctioned subject to any modifications that the Superintending Engineer may find to be necessary.

3. With the above remarks the estimate is recommended for the sanction of Government.

(Signed) J. PENNYCUICK, Colonel, R.E.,
27th July 1891. Chief Engineer, P.W.D.

Order—dated 31st July 1891, No. 2059 W., Public Works.

The estimate, amounting to Rs. 6,886, for constructing a road from Koppedu to Rajigunta in the Kálahasti zemindari, North Arcot district, is sanctioned as recommended by the Chief Engineer, Public Works Department.

2. As the work is intended for purposes of famine relief, it will be carried out by the Public Works Department without any charge for supervision and tools and plant, and the allotment of Rs. 6,886, sanctioned in the foregoing Proceedings, will be treated as an addition to the Public Works grant under Incorporated Local funds.

3. This sanction has been registered as Local No. 15 W. of 1891-92 and classified as Communications, Original Works.

(True Extract.)
