Note. 712/2

With reference to the Hon'ble Member's remark on current No. 10073 the undersigned has the honour to explain that owing to Mr. Allen, the Asst. Engineer in charge of the Wynaad Sub division having gone on privilege leave on medical certificate, and to no Asst. Engineer being available to take his place, Mr. Joyce the Executive Engineer West Coast Div., has had to assume personal charge of the Sub division in addition to his other duties.

2. The Wynaad roads are the most important work going on in the West Coast Div. the

the current year's grant being two lakhs, and the work is being pushed on with vigour. The object in making Vaigai the Executive Engineer's head quarters during Mr. Allen's absence is to enable Mr. Joyce to remain on the spot to personally supervise this large work.

3. The proposed order will enable Mr. Joyce to take to Vaigai such portion of his office establishment as may be necessary, and while there he and his establishment will draw Wynaad allowances.
