P. W. D.

Office of the Consulting Architect to Govt.,
Chepauk, Madras,
3rd October 1891.

No. 2552

From

Henry Swin, Esq., C.I.C.,
Consulting Architect
to the Government of Madras,

To

The Chief Engineer
Public Works Department.

Sir,

Enclosures.

A sum of Rs 5 equal to one tenth of the pay of G. Rungiah Naidoo, Draftsman 2nd class is now being deducted monthly from his salary owing to his not having passed the examination prescribed for Draftsmen in Note 1 to P. W. D. Code para 172.

2. Rungiah Naidoo was entertained in this office on the ground of his varied & practical experience as Draftsman for over 20 years under different officers. He has given very great satisfaction in the discharge of his duties and his knowledge of Architectural Draftsmanship makes him particularly useful for the work of his office.

3. Rungiah Naidoo is now over 50 years of age and it does not seem fair to expect him to go up & pass an examination in the Code, considering his present age and attainments. This

man has but an imperfect knowledge of English which although quite sufficient for carrying on his work in the Consulting Architects Division, but yet is insufficient for the ordinary understanding the provisions of the P. W. Code.

4. I beg to recommend that he may be exempted from the operation of Code rules in order to enable him to draw full pay, without any deduction. The amount that has already been recovered from him in the way of stoppage from his pay on account of failure to pass the prescribed examination is about Rs 350.

5. Anujah Kardor has served for 7 years as Draftsman in this office and his work has been most satisfactory throughout; his passing in the Code would in no way increase his usefulness as a draftsman.

I have the honor to be

Sir

Your most Obedient Servant.
