GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following papers :—

From H. H. O'CONNELL, Esq., Executive Engineer, Nellore division, to the Superintending Engineer, II Circle, dated 12th June 1891, No. 78.

With reference to your endorsement No. 69 Gl. of 25th May 1891 on G.O., No. 1161 W. of 27th April 1891, I have the honour to enclose a statement showing the establishment now employed in the workshop attached to this division.

2. It will be seen from the statement that the Workshop Superintendent and 3 of the lascars who are (invalid) pensioners are classed as temporary establishment, as they cannot be brought on the permanent establishment. These are very useful men and I strongly recommend their retention. The Workshop Superintendent is an exceedingly good man and we could not get his equal for his salary. I particularly request his services may be retained.

3. As regards other men classed under permanent establishment, the post of clerk is not found in the appendix to Government Order adverted to above. His services are essentially necessary for the preparation of bills and other office work connected with the shops and his name has therefore been entered in the statement sent by me.

4. This clerk as well as the assistant storekeeper and foreman require to be exempted from the operation of examination and twenty-five years' rules and the engine lascar and sweeper from the latter rule only.
