From the Examiner, Pol. Accounts Madras, to the Superintending Engineer, 2nd circle. dated 31st August 91 No. 5113.

2240

With reference to correspondence ending with your endorsement No. 1067 K.I dated 8th August 1891, I have the honor to request that you will be good enough to obtain orders of Government exempting the library at Bezwada from payment of the usual rent for the period it was occupied.

No. 1331 K.I. dated 8th September 91.

Forwarded to the Chief Engineer, Public Works Department with a request that he will obtain the necessary sanction of Government as required by the Examiner

free grant as a P.W. Library probably since the Construction of the Anicut in 1858. It is not known for certain that it is even a Government building as there are no records about it & it is possible that it may have been erected at the Cost of the officers & subordinates employed in the Works on the anicut & other Connected works. The building is, however, borne on the list of public buildings & must be assumed to be a Government building. It has now been vacated as a Library, it being used as an Anicut office.

To W.

The facts connected with the building known as the Bezwada Library are as follow:-

A building, the ownership of which is said to be doubtful was used as a library since 1858, a date anterior to that of the code orders regarding rents which bear date 18th. December 1890. No claim for rent was ever preferred while the building was so occupied, and the library has been given up and the building is now used as a Government office.

2. Under these circumstances no audit objection will be raised if sanction of Government is accorded to the Superintending Engineer's proposal.
