OFFICE NOTE No. 6207.

To

W.

In the return of sanctioned estimates of the Superintending Engineer 4th.Circle for the month of August 1889 I noticed a sanction bearing Register No.25 amounting to Rs.625 for "constructing a dead house at Vaniembady"and as I was of opinion that,under code para 1318 the work should have been carried out by the Civil Department without the intervention of the P.W.D,I accordingly requested the Superintending Engineer to obtain the approval of Government to the execution of the work by this department.

2. The Superintending Engineer in reply has forwarded me a copy of a letter from the Executive Engineer Coimbatore Division in which that officer states that the work "was carried out by the department at the request of the district magistrate under the latter portion of para 1422 of the P.W.Code."

3. Strictly speaking the concluding sentence of code para 1422 contradicts the preceding clause of the same para

1008—3-2-91.

as well as para 1316, but on the face of the two latter, the last sentence of para 1422 cannot, I submit, be taken as a general authority for the execution by this department of the prohibited classes of works without the sanction of Government. As however the sentence as it stands has given rise to misun - derstanding I would suggest its being expunged and inclose a draft standing order, accordingly, for the approval of Government.

I concur in the above view -
