Current No. 8889 27/5/8

Letter No. 1347

Dated the 19th August 89

From the Supdg Engineer III Circle.

Note of Remarks.

Improving the protection wall at Kumool.

Estimate amount ₨1070

The above estimate provides for raising a portion of the protection wall from north rampart to Moghulpoora gate 3 feet above H. W. M. and for partly repairing the remainder thereof. The protection wall will be constructed of rough stone brought from a quarry 3 miles away from Kumool hence the high rate of ₨6.8.. for 100 cft of masonry.

The H. W. mark has been taken as datum from the flood of October 1889

The rates appear to be fair, Contingency is calculated

At

at Rs. 20 per month for 2 months

The estimate is not counter-signed by the Supdg Engineer but from para 2 of his letter under reference he considers the estimate to meet the pressing requirements of the towns people.

If the work is to be carried out by this dept. provision may be made in the estimate for establishment, T&Ps & Plant charges, vide para 1486 A of the Code

25.VIII.91

Forward this bill and report that it is understood that the pressing needs of the town people will be met effectually carried out.
