P. W. Department.

No. 5665 dated 22nd July 1891

2761/2

Endt: on the Educational Department dated 15th July 1891 on letter from the Director of Public Instructions No. 7496 dated 30th June 1891.

X Cir No 765

There is no objection on the P.W.D. part to the proposal to allot a certain portion of the Shepāk Park as a cricket field for the students of the College of Engineering but it would be better to move the whole plot sixty feet or more further to the South, as shown in pencil on the plan, the area marked being inconveniently close to the ground used by the Madras Cricket Club.

Endt thereon by the Edl dept dy 15.VII.91

2761/1

For orders.

If the proposal is approved it would be better to move the whole plot sixty feet further to the south, as shewn in pencil, as the area marked is inconveniently close to the ground used by the Madras Cricket Club.

It may be observed that this ground is very rough and it will probably cost a good deal more than Rs 50 to make it

Educational Department.

CHIEF SECRETARIAT. MADRAS.

276/3

PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following papers—

From the Director of Public Instruction, Madras, dated 30th June 1891, No. 7496.

From the Public Works Department, dated 22nd July 1891, No. 5661.

From the Director of Public Instruction, Madras, 9th September 1891, No. 10,580.

In returning endorsement on current No. 300 dated 1st ultimo, I have the honor to state that there is no objection to having the plot of ground proposed for a cricket field for the college of Engineering thrown back 60 feet, as recommended by the Public Works Department, as will be seen from the accompanying copy of a letter from the Principal. In the circumstances represented by him, I request you will be good enough to obtain the sanction of Government for an expenditure of Rs 120 for clearing and levelling the ground.

2. The charge will be met from

from the provision for contingencies for the College in the Budget Estimate for 1891-92.

Enclosure

From the Principal, College of Engineering, Madras, dated 28th August 1891 No 2986.

With reference to your No 9612 dated 21st August 1891, I have the honor to state that, I have no objection to the proposal to throw back 60 feet the plot of ground which it is proposed to turn into a cricket ground for the college. This will however necessitate the cutting down of some 10 other trees. The estimated cost Rs 60 was intended only for clearing the ground of trees and not for levelling the plot, which was to have been met from the College cricket club Funds.

The cost of removing trees will now amount to Rs. 75 and another Rs 45 will be required for levelling.

As the upkeep of the ground will fall on the cricket ground ~~will fall on the cricket ground~~ Funds, I would suggest that the total cost of preparing the field Rs 120 may be met from Government Funds.

Order

Order 6th October 1891 No 759.

An expenditure not exceeding Rs 120 is sanctioned in view to clearing and levelling the plot of ground recommended by the Public Works Department for a cricket field for the Madras College of Engineering.
