Sir I have the honor to
inform you that the
season in Wynaad
has brought cases of
being extremely un-
-healthy and we are
now at most unhealthy
work viz- putting in
foundation to bridges.
In view of this I con-
-sider it is absolutely
necessary that we
should be provided
at once with a dhuser
with a proper stock of
medicines

2 The presence of medical men even of very inferior caste instills a great deal of confidence and prevents Coolies going off Cross when sick to get medical attendance elsewhere. It prevents any sort of panic and removes many of the causes leading to sickness, as the dresser will in a great measure be able to assist me in instructing on sanitation being seen to at Coolylines & other places where work people congregate.

3. I request you will kindly sanction this provisionally as it will take some time to get sanction from the Authorities and meanwhile much harm may be done.

4. I think Rs 30 pay + Rs 15 Ryana allowance + Rs 15 house allowance will be sufficient pay.
