RAYAKOTA,
30th November 1890.

(Signed) R. R. E. DRAKE-BROCKMAN, Lieut.-Colonel, R.E.,
Superintending Engineer, IV Circle.

346/2

From the Examiner, Public Works Accounts, dated 24th January 1891, No. 505.

The entries in column "present scale" represent the sanctioned scale of establishment for Coimbatore division *plus* so much of the late Nilgiri division establishment as were not transferred to Military Works.

2. The average pay of each progressive appointment has been entered instead of the financial value (*vide* Civil Service Regulations, article 164). The necessary correction has been made by this office.

3. A separate scale of office establishment for detached officers and overseers is not necessary as this is regulated with reference to the number of detached officers and overseers actually present on duty.

4. Personal allowances granted to certain lascars and messengers should not be shown as a saving, inasmuch as those allowances will have to be continued to the existing incumbents.

5. There are at present 3 clerks, IV class, 3rd grade, under overseers, instead of 3 clerks, V class, 1st grade, due to the transfer of detached officers above the rank of overseer from the division, their places being filled by overseers. These clerks will have to be treated as supernumerary in their particular grades and absorbed on the occurrence of vacancies.

ORDER—dated 6th February 1891, No. 346 W., Public Works.

The proposition statement for the revision of establishment attached to the Coimbatore division is sanctioned as amended.

2. The attention of the Superintending Engineer, IV Circle, is drawn to the remarks of the Examiner of Public Works Accounts in his office-note above recorded.

3. The supernumerary clerks should be absorbed on the occurrence of vacancies.

4. This sanction has been registered as Provincial No. 82 W. of 1890-91 and classified as Establishment, Permanent.
