NOTE OF REMARKS.

The accompanying plan and estimate under review amounting to Rs 4,400 provide for reconstructing the roof of Hospital wards Nos 12 & 13 of the 1st Pioneer Lines at Trichinopoly.

It is stated in the report accompanying the estimate that the present roof throughout is of slender palm-leaf Combes interspersed with a few country wood rafters & these together with the Combes of the roof began to warp after the heavy monsoon of October last. It is therefore proposed to dismantle the whole roof & to construct a new one out of teak wood trusses & jungle wood (Venteak or Venga) rafters.

and keepers's new flat + pan tiles complete.

In the new roof no ridge ventilator will be put up, but the old hood lights which are ample for ventilation will be fixed. Please see the present & proposed sections in the plan accompanying the estimate.

The scantlings of roof timbers are correct & the roof timbers are to be wood oiled 2 coats.

The walls are to be raised $1\frac{1}{2}$ ft. throughout.

The rates are fair.

Contingencies & Petty supervision are charged at about $\frac{1}{2}$ percent each.

The plan & estimate have been countersigned by the Quarter Master General & approved in the Military Department.
