Note by the Chief Engineer for Irrigation

390

Works available for Famine Relief in the south of Nellore District.

The following works will be found suitable for employment of those who need relief in the southern portion of Nellore District.

Buckingham Canal.

(1) Diversion at Dugarazapatam - Estimate Rs 21.500 The revised Estimate for this work has just been received in this office and will be submitted for sanction immediately - Expenditure to end of December - Rs 5.755

(2) Diversion from 89 miles ½ furlong to 89 miles 7 furlongs (near Kandaleru River) - Estimate Rs 15.700 - A portion of this work amounting to Rs 7.867 has been executed to the end of December.

(3) Penner South Diversion - Estimate Rs 22.500 - No expenditure had been incurred on this to the end of December.

~~(4)~~ Nellore Division

(4) Irakam Island (in Pulicat Lake) Embanking

Ans

An estimate amounting to Rs 17,800 was sanctioned in G.O. No 563 I, dated 8th October 1890 and it is believed that no work has been done up to date. The work would be very suitable for the employment of famine labour but the situation is somewhat inaccessible.

2. It is believed that the above works will furnish sufficient employment for all that may require it.
